FROM THE EDITOR

Ten bottles. No filler.

We stock over two hundred fragrances. This issue is not about all of them. It is about the ten we keep reaching for, the ones that make a stranger ask what you are wearing.

Some cost more than a weekend away. One costs less than dinner for two. All of them earn their place on the shelf.

Read slowly. Then send us a name on WhatsApp. We deliver anywhere in Nigeria.

CREED

The Heir.

"Like drinking a very fine, very old wine."

Oud Zarian

Aged oud, warm smoke and quiet authority. It commands attention without asking for it.

SMELLS LIKE

Rose, incense, aged oud, liquorice and sandalwood.

THE VIBE

Warm, soft and still there ten hours later.

MAISON CRIVELLI

White Flowers, Black Tie.

Creamy tuberose that behaves at dinner and misbehaves after. White flowers, done properly. Addictive is not an exaggeration.

"Celestial tuberose with its feet on the ground."

SMELLS LIKE

Tuberose, warm cinnamon, osmanthus, vanilla and musk.

THE VIBE

Luminous by day, intriguing by night.

Tubéreuse Astrale

On *Confidence.*

The best move is the one nobody sees coming.

Confident scents do not shout across the room. They wait. Leather, oud and smoke that arrive a second after you do and stay a while after you leave.

Leather Effector, two pages on, is the loudest quiet thing we sell.

TESTAMENT LONDON

After Hours.

"Bright fruit first, then calm and close."

Mirage

A cold fruit on warm skin after hours. Bright at first, then calm and close. Comfort that does not ask for attention but gets it anyway.

SMELLS LIKE

Lychee, passion fruit, grapefruit, rose, jasmine, vanilla and musk.

THE VIBE

Fruity, fresh and easy to love.

01

ATTAR AL HAS

No Softness.

Raw and unapologetic. Dark rum, saffron and vanilla over leather. People lean in when you walk past, and you let them.

"Punches far above its weight."

SMELLS LIKE

Dark rum, saffron, nutmeg, jasmine, amber and vanilla.

THE VIBE

Warm, creamy and made for date nights.

SOSPIRO

Everyone Asked. 05

Our cover scent, and the one we would send you first if you messaged us undecided.

Sun-warmed skin first, then an addictive, powdery cream that sits close and lasts. The green velvet bottle does the rest of the talking.

"Clean, bright and, for some, the fragrance endgame."

SMELLS LIKE

Grapefruit, bergamot, jasmine, ginger, orris, musk and cedar.

THE VIBE

Fresh and polished, office to evening.

Vibrato

MATIERE PREMIERE

Skin, But Better.

Soft, powdery vanilla that smells like you, just after a very good day. The kind people lean in to place and never quite can.

"Vanilla draped like cashmere."

SMELLS LIKE

Coconut powder, heliotrope, Madagascar vanilla, palo santo and white musk.

THE VIBE

Cosy, chic and leaves a powdery trail.

AHMED AL MAGHRIBI

Golden Hour, Bouled.

"A wolf in sheep's clothing. Sweet first, then deep."

Marj

Warm, smooth and easy to wear. A bottle this pretty deserves to live on the dresser, not in the drawer.

SMELLS LIKE

Honey, tangerine, oud, rose, saffron, raspberry and pear.

THE VIBE

Warm, spicy and it projects.

HOW TO CHOOSE · HOW TO ORDER

CHOOSING

i Start with the moment, not the bottle. Office, dinner, a wedding. Tell us where you are going and we will match the scent to the room.

ii Spray on pulse points, then leave it alone. Rubbing your wrists together flattens the opening.

iii One great bottle beats three forgettable ones. Buy the one people ask about.

ORDERING

i Note the house and name, exactly as printed in these pages.

ii Send it to us on WhatsApp at +234 708 686 2173. We confirm stock and your address.

iii Delivered anywhere in Nigeria.
